IN RE: HARLAN MUNICIPAL UTILITY	DOCKET NO. TF-01-22 (TCU-00-43)
	CERTIFICATE NO. 0232

CERTIFICATE

(Issued March 21, 2001)

On July 27, 2000, Harlan Municipal Utility (Harlan), filed an application for issuance of a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (1999), stating its intention to provide local exchange services in the Harlan exchange. Harlan stated that it concured with the Harlan exchange service area map of Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom, on file with the Board as it is today and as it may be changed in the future. The Board approved the application and concurrence in the Harlan exchange map by order issued September 8, 2000.

Harlan filed a proposed tariff on January 29, 2001, identified as TF-01-22, that contained the terms, conditions, and rates for providing local exchange service. An order approving Harlan's proposed tariff is being issued concurrently with this certificate.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2001), authorizes Harlan Municipal Utility to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
